# THE ENDURING FAMILY

by **JIM WARNER**

The Enduring Family proactively explores and embraces concepts described below. In this interactive session, the foundational characteristics of each category are defined and explored. The goal of the session is to inspire participants to work towards their own enduring family.

**WHO TO ATTEND?**  
 Open to  
 FBNA Members &  
 Family, YPO Members,  
 Spouses & YNGers

HIGHLIGHTS

PARTICIPANTS WILL EXPLORE:

- The four key "capital" areas of enduring families :
  - Human capital
  - Intellectual capital
  - Financial capital
  - Social capital
- Dealing cleanly and directly with challenges within the family.
- Being bound by affinity rather than solely by blood.
- Fostering creativity & dream fulfilment of individual family members.
- The levels of participation by family members roles.
- How can i get started?
  - Practical tips and typical phases of the process.

# ABOUT JIM WARNER

**Jim Warner** is a trusted guide to high achievers navigating life transitions. He's worked directly with over 2500 entrepreneurs, professional managers, and family business leaders, worldwide – often with their spouses and families – guiding them through daunting personal and inter-personal dilemmas, and helping them achieve greater self-awareness, authentic communication, more productive relationships – and more satisfying lives.

Jim's work has led him to write three books and an audio series based on high achievers' yearnings for identity, meaning, and connection. He has been married 40 years and enjoys enriching relationships with his wife, Judy, their three adult children, and a granddaughter. He is a graduate of the *University of Michigan*, and is an alumnus of *Harvard Business School (OPM program)*.

## ABOUT FBN ASIA

Family Business Network (FBN) Asia is a regional chapter of FBN International, a private, not-for-profit organization. It is led 'By Families, For Families, Across Generations'.

FBN is the leading family business community around the world, offering a unique and safe space for its members to share best practices and progressive ideas on how to grow, succeed and prosper in their family, business and personal lives. Founded in 1989, it represents more than 13,000 individual members from more than 3,000 business families in 62 countries across 5 continents.

Its vision is to create a vibrant community of family businesses that serves as a model of success and longevity.

## ABOUT YPO

**The Young Presidents' Organization (YPO)** is the premier Chief Executive Leadership Organization in the world, representing a global community of 25,000 members in more than 130 countries. It is committed to the shared mission of becoming Better Leaders through Lifelong Learning and Idea Exchange.

The Malaysia Chapter was officially registered in 1981 and its current membership to date stands at more than 100 members, comprising of CEOs of public listed companies, multi-national companies, professional firms, private enterprises and family-owned businesses covering a myriad of industries.
